About Sanskriti Polymers

Sanskriti Polymer is a leading manufacturer and exporter of moulded plastic packaging components, serving pharmaceutical, cosmetic, agrochemical, and industrial sectors since 2017. We specialize in blow moulding and injection moulding, offering a wide range of products including bottles, caps, plugs, applicators, and custom-moulded parts.

Our production facility handles volumes from 5 ml to over 1000 ml, with a daily capacity exceeding 100,000 units—ensuring quick turnaround and consistent quality.

To meet hygiene and regulatory requirements, we provide in-house **ETO** and **Gamma** sterilization services, ideal for sensitive packaging needs.

With a dedicated in-house tool room, we design and develop custom moulds tailored to client specifications, supporting efficient new product development.

Sanskriti Polymer is committed to delivering precise, reliable, and cost-effective packaging solutions across a wide spectrum of industries, both in India and globally.

About Sanskriti Polymers

Certifications & Compliance

We ensure top-tier product quality and safety, supported by globally recognized certifications and compliance with strict international industry standards.

Our Certifications Include:

- ISO 9001:2015
- MSME
- GMP

Our Vision and Commitment

At Sanskriti Polymer, we focus on innovation, customization, and continuous improvement to meet evolving client and industry needs. Our goal is to deliver high-quality packaging that enhances product appeal, ensures protection, and builds lasting partnerships through reliability and efficiency.

RANGE OF TABLET CONTAINER

Tablet Container with Screw & Security Cap

- Available Sizes: 200gm, 250gm
available Sizes: 200gm, 250gm
- Shape: Round and Security type
- Cap: Screw and Security Cap
- Material: HDPE and PPE

Tablet Container with Flip-Top Cap

- Available Sizes: 60cc, 90cc, 100cc, 150cc, 200cc
Shape: Round and Security type
- Cap: Flip Top
- Material: HDPE / PPE

RANGE OF TABLET CONTAINER

Tablet Container with Screw Cap

- Available Sizes: 20cc, 30cc, 60cc, 90cc, 100cc, 150cc, 200cc
- Cap: Screw Cap (25mm / 28mm / 38mm)
- Material: HDPE / PPE

PET-G Tablet Container with CRC Cap

- Available Sizes: 20ml (square); 60ml, 100ml & 150ml (round)
- Cap: CRC Cap (38mm / 25mm)
- Material: PET-G

RANGE OF TABLET CONTAINER

Tablet Container with Screw Cap and Induction Wad

- Available Sizes: 200ml, 250ml (square)
- Cap: Screw with Induction Wad
- Material: HDPE

Triangular Tablet Container with CRC Cap

- Shape: Triangular
- Cap: CRC Cap (38mm)
- Material: HDPE

RANGE OF TABLET CONTAINER

Tablet container with CRC Cap (Screw Cap)

- Available Sizes: 20cc, 30cc, 60cc, 90cc, 100cc, 150cc, 200cc
- Cap: Screw Cap (25mm / 28mm / 38mm)
- Material: HDPE / PPE

Tablet Container with CRC Cap (Crown with Seal Cap)

- Available Size: 150gm (square)
- Cap: Crown with Seal Cap
- Material: HDPE / PPE

RANGE OF TABLET CONTAINER

Tablet Container CRC Cap (Seal and Screw Cap)

- Available Sizes: 30 tablets, 60 tablets
- Cap: Seal and Screw - Same Shape
- Material: HDPE

Dexa Tablet Container

- Available Sizes: 20ml
- Cap: Flower / Push type
- Material: Polystyrene / PPE

RANGE OF TABLET CONTAINER

Tablet Container with Flip-Top (for Sugar Tablets)

- Available Size: 20ml (for sugar tablet)
- Cap: Flip-Top
- Material: HDPE, LDPE

Tablet container with Push Cap

- Available Size: 20ml
- Cap: Push Cap
- Material: HDPE

RANGE OF DRY SYRUP BOTTLE

Dry Syrup Bottle Family

- Available Sizes: 15ml, 30ml, 60ml, 70ml, 80ml, 90ml, 100ml, 120ml
- Neck Size: 25mm, 28mm
- Cap: Screw Cap, Seal CRC & CRC Cap with Induction Wad and Measuring Cup
- Material: HDPE and PPE

Conical Dry Syrup Bottle with Seal CRC Cap

- Available Sizes: 60ml, 120ml
- Material: HDPE / PPE
- Cap: Seal Cap and Seal CRC Cap with Induction Wad and Measuring Cup

RANGE OF DRY SYRUP BOTTLE

Conical Dry Syrup Bottle with Seal Cap

- Available Sizes: 60ml, 120ml
- Cap: Seal Cap with Induction Wad and Measuring Cup
- Material: HDPE / PPE

Dry Syrup Bottle with CRC Cap (Undercut Marking)

- Available Sizes: 30ml, 60ml, 70ml
- Cap: CRC with Induction Wad and Measuring Cap
- Material: HDPE

RANGE OF DRY SYRUP BOTTLE

Dry Syrup Bottle 25mm Neck

- Available Sizes: 100ml
- Cap: Screw Cap
- Material: HDPE

RANGE OF ONLY CAP

Seal CRC Cap 28mm

- Size: 28mm
- Material: PPE / LDPE

CRC Cap

- Available Sizes: 25mm, 28mm, 33mm, 38mm, 45mm
- Material: PPE

RANGE OF ONLY CAP

Pilfer Proof Cap

- Available Sizes: 25mm, 28mm
- Material: HDPE

Flip Top Cap

- Available Sizes: 15mm, 19mm, 28mm
- Shape: Oval and Round
- Material: PPE

RANGE OF ONLY CAP

Cap with Applicator

- Size: 18mm (for Glass Bottle)
- Material: HDPE and LDPE

PRODUCT RANGE

Shampoo & Lotion Bottle

- Available Sizes: 30ml, 50ml, 60ml, 100ml, 200ml, 450ml, 500ml
- Shape: Oval and Round
- Material: HDPE / PPE Plastic
- Cap: Flip-Top Cap in Various Sizes

Dusting Powder

- Available Sizes: 50 and 100 gm
- Cap: Shifter / Push Cap
- Material: HDPE

PRODUCT RANGE

Cream Jar

- Available Sizes: 5gm, 10gm, 20gm, 30gm, 50gm, 100gm, 200gm, 500gm
- Material: HDPE, Polystyrene Plastic, PPE
- Shape: Multiple Shapes Available

Nasal Spray

- Available Sizes: 10ml and 20ml
- Material: PPE
- Cap: Pilfer Proof Cap

PRODUCT RANGE

Rib Jar

- Available Sizes: 150gm, 200gm, 300gm, 450gm, 550gm, 750gm, 850gm, 1200gm
- Material: HDPE / PPE
- Cap: Screw / with Induction Wad

Can

- Available Sizes: 500ml
- Cap: Screw Cap with Plug
- Material: HDPE

PRODUCT RANGE

Pesticide Bottle

- Available Sizes: 500ml and 1000ml
- Shape: Round and Handle Type
- Material: HDPE / PPE
- Cap: Seal and Screw

Petroleum Jelly

- Available Sizes: 50ml, 100ml, 200ml
- Material: HDPE and PPE
- Cap: Push Cap

PRODUCT RANGE

Lotion Bottle

- Available Sizes: 100ml and 200ml
- Material: HDPE
- Cap: Push Top

Enema Bottle

- Available Sizes: 100ml
- Cap: with Applicator
- Material: LDPE

PRODUCT RANGE

Syrup Bottle

- Syrup Bottle with Screw Cap / Induction Wad and Measuring Cup
- Available Sizes: 200ml
- Material: HDPE

Spray Bottle

- Available Sizes: 60ml, 70ml with Dental Spray and Mist Spray
- Material: HDPE
- Cap: Flip-Top Cap Available

PRODUCT RANGE

Vicks and Balm Bottle

- Available Sizes: 5gm, 10gm, 25gm, 50gm, 100gm
- Material: PPE
- Cap: Screw Cap

Inhaler

- Available With Keychain and Without Keychain
- Material: PPE

PRODUCT RANGE

Can Spray with Cap

Standalone spray nozzle with cap ensures precise liquid application and hygiene for cosmetic, pharmaceutical, and industrial containers.

Dropper Bottle

- Available Sizes: 5ml, 10ml, 15ml, 30ml, 50ml, 100ml
- Material: LDPE / HDPE
- Cap: Pilfer Proof with Nozzle

PRODUCT RANGE

Rubber Dropper

- Available Sizes: 22mm, 25mm, 28mm
- Tube Size: 62mm, 75mm, 95mm

Gel Applicator

- For Aluminium and Lami Tube
- Material: LDPE (with Intact Packing)

PRODUCT RANGE

Tablet Applicator

- Round and Flat Shape Available
- Material: HDPE and PCP

Measuring Cup

- Available Size: 28mm for Plastic Cap
- Capacity: 15ml
- Material: PP random

PRODUCT RANGE

Spatula

- Spatula for Ointment Cream
- Size: Standard
- Material: LDPE and HDPE

Hollow Spoon

- Available Size: 10ml
- Material: PPE

PRODUCT RANGE

Cream Jar Plug with Handle

- Available Size: 53mm
- Material: LDPE

QC Instruments

Precision QC instruments ensure consistency, compliance, and safety in pharmaceutical, cosmetic, and industrial labs and production environments.

PRODUCT RANGE

Induction Wad Sealing Machine

Induction Wad Sealing Machine provides fast, tamper-proof sealing for containers, ensuring leak protection, product integrity, and extended shelf life.
